

Wildly Wealthy Women Song Lyrics

The eyes of my eyes are now open
I see the fullness of life
I'm ready to play now with living
I'm ready to dance in my light

I have here my loaves and few fishes
I see the abundance in life
There's no room for doubt or illusions
For I have a millionaire mind

I'm a wildly wealthy woman
I got stars in my heart and in my eyes
I feel all the good that's coming
I'm a wildly wealthy woman

The heart of my heart is now beating
Power released from my soul
Infinite riches surround me
The gold mine within me I hold

I'm a wildly wealthy woman
I got stars in my heart and in my eyes
I feel all the good that's coming
I'm a wildly wealthy woman

And I'll be, and I'll do, and I'll do, and I'll have
And I'll have and I will have it all (repeat)

I'm a wildly wealthy woman
I got stars in my heart and in my eyes
I feel all the good that's coming
I'm a wildly wealthy woman

I will be, and I'll do, and I'll do, and I'll have
And I'll have and I will have it all (repeat)

I'm a wildly wealthy woman
I got stars in my heart and in my eyes
I feel all the good that's coming
I'm a wildly wealthy woman

I will be, and I'll do, and I'll do, and I'll have
And I'll have and I will have it all

I will be, and I'll do, and I'll do, and I'll have
And I'll have and I will have it all (repeat 5 times)

I'm a wildly wealthy woman
I got stars in my heart and in my eyes
I feel all the good that's coming
I'm a wildly wealthy woman
